

KINGSTON LOCAL HISTORY SOCIETY NEWS FOR SEPTEMBER 2016

We would like to invite new and old members of the History Society to our AGM on Thursday, October 27th 7.30pm in Kingston Reading Room. There will be a glass of wine and light refreshments to welcome everyone to our new programme of events and to see what we are doing as a society in keeping our village history alive. There will be a review of past events and an opportunity to see if you would like to serve on the committee which meets four times a year. We are always in need of your support to keep the society going and more officers will be required if we are to continue as before so please contact me if you are willing to be part of our team. We receive numerous family research enquiries through the village and our own website which keeps us busy as well as planning events, printing publications and setting up exhibitions from our extensive archives kept in the Church vestry. If you have any suggestions for places to visit or interesting speakers we can include in our next programme please contact Margaret Cocks at The Limes, Kingston (01548 810765) Alternatively if you have any historical subject or past memories you would like to tell us about we would love to hear from you; perhaps you have an interesting family history you would like to share.
